

Eric Christoph Schubel

January 2, 2022 - May 18, 2025

Eric Christoph Schubel was born January 2, 2022, and passed away on May 18, 2025. He is survived by his parents, Mary Christoph-Schubel and Mark Daniel Schubel, and his sister Cora Ines Schubel, of Redwood City.

Eric loved the outdoors, picking up sticks and flowers and adding them to his collection in the trunk of his bike. He loved pirates and knights, building rocket ships, and fighting fires. He was the worst in his preschool class at taking naps, and he happily egged on his fellow non-nappers in staying awake. Eric was affable and brave; at a trip to Lake Tahoe, he specifically asked to go sledding down the big hill, which neither parent was keen on going down. He was a delight to his family and friends, and brought so much joy to his teachers, friends, and family. We will deeply miss Eric and his joyful spirit.

His funeral will be held on Monday May 26 (Memorial Day) at 2pm at Bridge City Church in Redwood City, preceded by a viewing at 1:30pm, and followed by a reception at 5:30pm. The family has set up a restricted fund to which donations can be made in Eric's name to support a community project in Redwood City:

The viewing, service, and reception/meal times above are public; the burial is private. For those who cannot attend in person, Eric's funeral will be live-streamed here:

“ Sending love and prayers for extra comfort and peace to Eric’s family and friends. We never had the good fortune to meet Eric, but from what I understand, he was like a shooting star offering a brief but extraordinarily bright and beautiful moment of light into a sometimes very dim world. He lives on in the arms of the angels. ☐☐

“ *Eric was such a gift to have in our lives and such a wonderful friend to Daniela. Every evening after daycare was full of Daniela talking all about her friend Eric. I remember she was so surprised and excited when she realized that he had learned to talk - I suppose this reaction makes sense when you and your best friend were only recently babies. We loved going to soccer and the playground on Saturday mornings with Eric - this was a high point of every week. I loved seeing his bouncy curls and big smile and talking to him about trucks or dinosaurs. We all loved Eric very much and miss him terribly. Love and condolences to all of his family and all the other people who loved Eric, too. - Jon, Raquel, Elena, and Daniela*
