

## Peggy Anne Hollywood

April 27, 1959 - December 31, 2023

Extremely beloved and adored Daughter, Sister, Wife, Mom, Aunt, and Grandma/Grammy was taken far too soon on December 31, 2023, after a courageous battle with Cancer.

Peggy was born to the parents of John Gerald “Jack” and MaryLou Hollywood, grew up in Menlo Park, CA, and is a graduate of St. Francis High School in Mountain View, CA.

She found the love of her life and married Michael “Ted” Sturm on September 17, 1983. They started a family, welcoming their first daughter, Ashley, in January 1986 and their next daughter, Jordan, in December 1986. Their last daughter, Samantha, arrived in April of 1989 and completed their family. Ashley and Jordan have gone on to marry and gave Peggy six wonderful grandchildren: Damian Issac, Maddux Hudson, Selah Rose, Joanie Louise, Blaine Cillian, and Molly Anne.

Peggy’s love of children led to opening her own in-home daycare, where she was a “bonus mom” to so many for almost 30 years. Outside of her day job, she loved to do anything that involved her family, gardening, scrapbooking, and collecting her beloved “tchotchkes.” Her home was filled with color and more special pictures on the wall than she had wall space to display.

Peggy is survived by her husband, three daughters, six grandchildren, her mother, brothers John and Michael Hollywood, younger sister Anne Marie Hollywood, and many aunts, uncles, nieces, nephews, and cousins.

“ *Forever Best friends.....*

*Peggy and I have been lifelong friends for as long as I can remember. From our Nativity School days together, St Francis high school to marriage, motherhood, becoming grandparents together thru her last days. I don't remember a time sweet Peggy and the Hollywood family weren't in my family's life.*

*I cherish every memory, long talks, lots of laughter, raising our children together as cousins, going to Hawaii and the endless joys and sorrows we shared over the years.*

*I love Peggy like a sister. She is family and will always be. Our heart to heart talk's, especially over the last several months, brought us even closer as we*

*Laughed at all the sweet moments, shenanigans we got into together and comforting each other in times of sorrow.*

*Chuck and I love you sweet Peggy. You will always be a part of us. Forever in our hearts, your twinkling blue eyes shining, will always be bright and vivid with that beautiful smile.*

*Rest well my dear friend. You are a light that will always burn bright in our hearts. We love you*

“Peggy is one of my Best friends. I've known her since 1975 and figured out she was special immediately. Tonight, while with her 2 daughters and Hubby looking at old photos of us together past and present I'm reminded of what an amazing spirit she has that was still going strong a week ago, as she smiled through her undeniable pain. We syphoned gas for her mustang together in the 70s, "bar hopped with the worst fake IDs you'd ever seen! We sang out sunroofs while driving to Los Gatos or Santa Cruz, we had our babies together in the 80s, and we're in each other's weddings not once but twice in both our lives. We shared old secrets and our newest loves... Had discussions about life, kids. Work, and how to plan for where we are now, almost retirement and our second chances for additional fun, yet somehow when I think of my Sister and Friend this day I feel like we could have and should have done more. Peggy.. Not one day will ever go by again while I'm on this earth that I won't think of you, and talk to you. There's only 3 other people I currently speak with out loud daily, my mom my dad and my brother, and now you and boy is that hard to swallow without getting a huge lump in the back of my throat or ache in my heart. I miss you so much and wish we'd have had more time. You are "forever in our hearts" Teddy and I love you and your family very much. Rest in Peace, pain free my love and keep us in line from your seat in heaven. XOXO

“ Such a bright light and the epitome of a good friend is what I will remember. Peg was there for everything and everyone- I was treated like her own little sister growing up because of her unique and deep friendship with my older Sister, Tami. Peg loved our parents and they loved her. So many sweet and joy-filled memories came as a result. My Sister will always love Peg like a Sister and watching the two of them and Lori was part of what taught me about what real friendships were made of. I am so deeply sorry for Ted, the girls, the grand babies and the rest of her extended family - as she would not have wanted to miss a moment. I hope all keep her spirit of unconditional love, the priority of family, friendship and being together + her great sense of humor alive in their day to day. In lieu of flowers, We will make a donation in Peg’s name to the association of the families choice for the continued research and eradication of rare Cancers. We are a family that believes strongly in the increase of education and access to early detection and improved treatment so the suffering for the patients and their families can stop.

Sending our deepest condolences and prayers. Joel, Stacy, Ella and Paige
