

## Timothy Michael Furin

March 16, 1990 - November 1, 2025

Tim was born on March 16, 1990, in Fresno CA. He lived much of his life in Clovis, CA before moving to Tollhouse, CA 10 yrs ago. He attended Gettysburg Elementary, Reyburn Intermediate, Clovis East High School and graduated from Clovis Adult in 2008.

Tim was a big fan of NASCAR and enjoyed going to races. He raced locally for a time in Hanford, Madera and Chowchilla. He moved to North Carolina and an hour after he got dropped off, he got to do something no one ever got to do straight off the street. He drove a Nascar Winston Cup Truck for 8 laps at 167 mph and that was his biggest thrill. At a young age Tim was mechanically inclined and loved working on cars and building engines for his race cars. He loved riding ATV's and camping.

He was employed in the family business, Teledata Services Co off and on for 15 years. He was also employed by Layer One Technologies in Charlotte, North Carolina as lead tech for 2 years. His most recent employment was at Wolfgang Custom Studio, doing mechanical work, prepping cars for paint, and auto detailing.

He is survived by his daughter Adeline Furin, his loving parents, father Steve Furin, mother Pam Furin, sister Tara Furin. He also had several aunts, uncles and cousins, as well as many cherished friends who will continue to carry his

memory in their hearts.

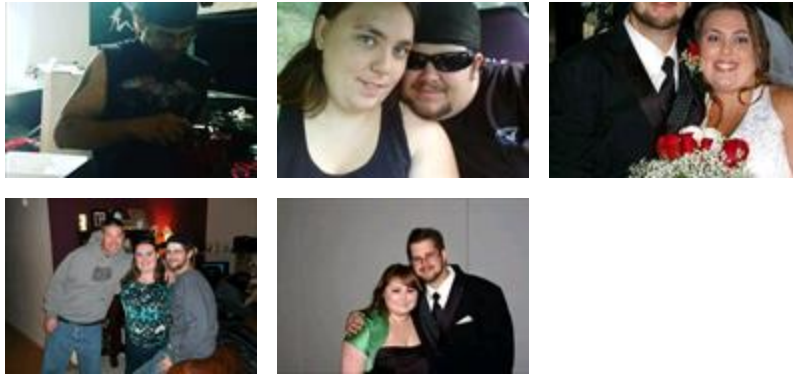

He will be remembered as the friend who would help everyone he could, and he enjoyed doing that. He will be greatly missed.

A Celebration of Life will be held at later date in the spring with details posted on Tim's Facebook page.

“ To the Furin and Matney families:  
I am grateful for the decade you shared Tim with me. I am blessed for the once in a lifetime memories and moments that only him and I share. I am grateful for the amazing times we spent together, I wouldn't trade them for anything. My thoughts and prayers are with you all. R. I. P. Tim, I'll never forget you.

“ Tim was one of the kids that I still remember having in my kindergarten class. I remember him being such a good friend to me because I was shy.  
I also remember the love he had for working on trucks but the love for his daughter seemed even greater. RIP  
Tim
